## Bands, Families & Headshots

Whether you're a professional in need of headshots that shine, a band with a creative vision for their next album cover, or a family whose bliss is chaos, we'll have fun with it! My awkward, goofy charm will warm anyone up to being in front of the camera after a few clicks, rolls or poses. I can make you, and your vibe bolder through my images to be sure you stand out!

### Band Portrait Session \$300

2 hours to get a variety of backgrounds, poses and angles of your band - giving you a ton of options to choose from when applying to venues, making posters and merch, and more!

Split the time how you choose best suits you, we'll schedule a zoom call or just make a plan for location and vision prior to the shoot.

Travel included: up to 25 miles in Maine, 25 miles out of state (reimbursed for all additional)

50% non refundable deposit to book

What will I receive?

A private dropbox link to download all images and supporting files within 2-3 weeks of the date of our shoot together.

40-75 professionally edited & retouched images
